From a process-perspective - yes, he is authorized by OLA. If you're seeking confirmation of the legality of doing so, please check with OLC.

The short answers are yes and yes pending answers to my questions below. Please thank Tim for me.

What was the original purpose of the staff delegation trip and are the staffers from any of our oversight committees --
Judiciary, Intel, or Appropriations?

I can be there. Will is on vacation. Can you give me some guidance on what you think they are interested in hearing from OLA? What kinds of questions do they have for us?
